

**PRAGATI PUBLIC SCHOOL**  
**SESSION (2017-18)**  
**HOLIDAY HOMEWORK CLASS II**

Dear Students,

Holidays are always a welcome break from the normal routine and we look forward to them. We are sure that all of you must have made plans to enjoy your vacation. It gives us the opportunity to pursue all those activities that we enjoy but never find enough time to indulge in.

We wish you a very happy and a fruitful family time during this vacation and hope you have fun doing the homework.

**GENERAL INSTRUCTIONS :**

- Present your work on A-4 size sheets and put it in an attractive folder with your name and class clearly written on the top.
- Revise the syllabus for all the subjects done till May.
- Last but not the least always speak in English with your family and friends.

**ENGLISH :**

1. Read a story or watch an English movie

a) Talk and write about its characters with names and the story/stories in your own words.

b) Give a new title to the story.

c) Write the comments of your Mom and dad too.

(Stories can be from Panchtantra and movies can be like Ice Age, Up, Finding Nemo, The Good Dino, etc.)

2. Sit with Mom and make a grocery list. Write down the benefits and use of the things from the list.

3. Write three questions you would like to ask the Prime Minister of India.

4. Make a Thank you card for the person you love the most.

5. One page writing daily for improving the handwriting or writing skills from a story book for fifteen days (as per the format given to you during the beginning of the session)

**MATHS :**

1. Paste four thin bangles, draw clocks in them and show the time when you,

a) wake up,

b) have your breakfast,

c) have your lunch and,

d) go to sleep

3. From a coloured sheet of paper, cut out four squares measuring 5''x 5''.  
Now cut these squares into different shapes i.e. circle, square, rectangle and triangle.  
Decorate, paste and label these on an A-4 size sheet.
4. Cut out any five (3-digit numbers) from newspaper, paste them and write their expanded form on an A-4 size sheet.

**SCIENCE :**

**1. Tastes**

Your tongue can sense four basic kinds of tastes. These are sweet, salty, sour and bitter.

Taste each of the following food items and find which of these tastes is the major one ?

Write your answers in the form of a table. ( on a A-4 size sheet )

**Honey, Lime juice, Bitter gourd (Karela), Tomato Soup, Vinegar, Ice-cream, Tamarind juice.**

**2. Balanced Diet**

Record the food items you eat in breakfast, lunch and dinner for a week. Classify them into healthy and junk food in the following format:

S.No.	Day	Breakfast	Healthy/Junk	Lunch	Healthy/Junk	Dinner	Healthy/Junk

**3. Can I swim**

Collect objects as given in the list below .Then take a bucket. Fill it half with water.  
Place each object one by one in the water and see what happens.

Wool,Pencil shavings, Steel spoon, Plastic ruler, Dry leaf, Plastic spoon, Chalk,  
Eraser, Stone, Pencil, Crayon, Bottle cap, Paper, Hair pin.

Record your findings in the format given below. Put a tick mark in the column which shows what you see.( on a A-4 size sheet )

Name of the object	A	B
	The object remains on top of the water.	The objects goes down under the water.

4. Make a poster (**size - one fourth chart paper**) as per your roll number.

- Draw what you think, would happen to the world around us if there would be no water. (Roll No – 1 to 15)
- Save birds (Roll No – 16 to 30)
- Water –Every drop counts! (Roll No – 31 to 37)
